## **REVISION TO NOTICE TO NAVIGATION INTERESTS 08-22**

### **GUARD WALL CONSTRUCTION**

#### **MARMET LOCKS AND DAM**

#### **KANAWHA RIVER, MILE 67.7**

Reference Notice to Navigation Interests 08-22, dated 27 March 2008. Notice is given that on 13 August 2008, the main chamber will be closed to mariners from 6:00 a.m. until 6:00 p.m. This will be the final activity completing this phase of construction.

#### **For your convenience, the following is from Notice to Navigation 08-22:**

Notice is given that on or about 4 April 2008, Kokosing / Fru-Con will begin concrete construction on the new upper guard wall at Marmet Locks and Dam, Kanawha River, mile 67.7.

The contractor's floating plant will consist of the M/V LUCEDALE and one barge mounted crane. The contractor will be pumping concrete from the bank to the guard wall using a pipeline which will cause intermittent closures, possibly lasting more than eight hours at a time. The M/V LUCEDALE will be monitoring marine channel 13. This construction will take place 24 hours a day, 7 days a week. It is anticipated that this phase of work will be completed on or about 1 August 2008.

Mariners are advised to contact the Lockmaster on VHF13 for more information upon arrival.
